

2010 China Business & Trade Mission

August 29 - September 10, 2010

The Maryland-China Business Council (MCBC), the Maryland-Anhui Sister State Committee (MAPSSC) and the BXSSC are joining forces to form a business and trade mission to China in September 2010. Led by Maryland Secretary of State John P. McDonough, the trip will facilitate business with China through matchmaking sessions with Chinese companies and high-level meetings with industry and government leaders in Shanghai, Beijing, Hefei, and Xiamen. The delegation will also interact with Chinese companies, government officials, and academic authorities regarding developing business opportunities in the environmental and clean energy as well as general business sectors.

2010 is the 15th anniversary of the MCBC, 25th anniversary of the BXSSC, and the 30th anniversary of the MAPSSC. Please join us in celebrating these long-term relationships between the US and our Chinese partners!
