

Why Liberia?

- 80% of the population lives below poverty;
- 75% of the population does not have access to safe drinking water and;
- 65% of the population does not access to proper sanitation facilities.

Relief for Liberia may just be in your basement

Engineers Without Borders (EWB) is a nonprofit organization that trains globally responsible engineering students to volunteer their skills to advance sustainable development for developing countries. In Liberia, EWB proposes to construct four culverts, resurface streets and prioritize future projects. **To provide Relief in Liberia, EWB needs your help. How can you help? With a little spring cleaning, of course.** Chances are, you have items in your home that you no longer need. Don't throw these items away! Post any unwanted things for sale on: washingtondc.craigslist.org and donate proceeds of your sales to EWB-Chesapeake Professional Chapter. For more information, please contact:

Ms. Sogand Seirafi, Transportation Chief
Montgomery County Public Works & Transportation
Phone: 240-777-7260
E-mail: sogand.seirafi@montgomerycountymd.gov

↓ To provide a financial donation, see below.

Your financial contribution is always welcomed. Below are ways you may provide a tax-deductible donation to EWB:

1. Make direct on-line donation at:
<http://www.ewb-usa.org/chapters.php?ID=225>
2. Mail check payable to EWB-USA, specify "Chesapeake Professional Chapter" in the memo field:

Mr. Brian Houston
8120 Chelaberry Court
Gaithersburg, MD 20879
